Series: GOD is here.

Week 3: "This!"

ISAIAH 6:3. He saw what a big deal GOD is. **If you want to know how big of a deal GOD is, just look around. If you are struggling to think very much of GOD, start by staring at the world around you.**

Romans 1:20. Though we can't see GOD, we can still experience what GOD is like.

GOD > "This!" Put into a logical conclusion—**If GOD is better than anything on earth, then GOD must be even better than "This!" "This!" is how I mentally turn God into GOD.**

GOD gave you eyes to see beauty, ears to hear melody, taste buds to soak in the savory, and skin to feel the warmth of a friend's hug. He wired your brain with dopamine to feel pleasure and oxytocin to feel affection. **GOD made all of "This!" so that all of life could help you think more of GOD.**

Whatever sparks a positive reaction in you is an example of "This!"

"This!" is like a little trampoline that can launch your heart to heaven & connect you with GOD. **Once you get "This!", you can get more GOD.**

Challenge: **Glorify GOD in a thousand little ways today.**

GOD created it all so that you could know Him, love Him, and think much of Him.

Psalm 19:1

MATTHEW 5:16. People glorify GOD, they remember what a big deal He is, when they see your goodness, patience, forgiveness, compassion, selflessness, and generosity.

You exist to help people think the most important thought in the world—GOD!
